HALF A CENTURY

For fifty years the **WORMWITH PIANO** has been made in Kingston. It has stood the test of time—the greatest test of all. Each year sees an increased output. ¶A piano, which steadily gains in prestige and favor every year, for half a century, must have a merit.

The Wormwith Piano Has Merit

It has more—it has a soul, as the best musicians will testify. We do not need to dilate upon its excellencies, ask any of the thousand or more users in Kingston. They will tell you.
